**Re: Interest in Admission to The Lighthouse and Safe Harbor Programs**

Thank you for your interest in admission to our community re-entry program. The Lighthouse offers programs through affiliate Safe Harbor Churches. We understand that you are going through a tough time right now. We want you to know that you are loved, and we welcome you to Safe Harbor. We have provided our intake application, personal information questionnaire Stewardship Agreement, basic rules of our program, and descriptions of our program and services.

Safe Harbor is a six-month faith-based program that provides life skill and recovery support groups, safe and drug-free housing, necessities (such as clothes if needed, food, hygiene products if needed, etc.), and back-to-work employment opportunities with program completion incentives. **Our focus is to help participants make permanent life changes through recovery support services, a variety of pastoral and spiritual support groups, chapel services, one-on-one with our pastoral staff, and an assortment of other life skill classes** as well as IOP (Treatment) in some locations.

Now that your are at our program, you will go through a screening process and will be informed promptly of your eligibility. Currently, our program does not admit those who have been convicted of sexual and or violent crimes. Your application will be verified before your admittance can be issued. In order to be considered for acceptance into Safe Harbor, we would require a full admission packet completed and signed, this will allow you to stay for 5 days in order for our staff to evaluate you and make sure you qualify as well as give you the opportunity to make sure Safe Harbor is right for you..

Again, we are so thankful for your interest in The Lighthouse and Safe Harbor. May God bless and keep you.
